**Auctioneer Notes:** Chuck has enjoyed collecting John Deere tractors for nearly 30 years, many of these tractors are original and several have been overhauled from front to back. Throughout his travels Chuck has purchased several 3 pt hitches, weights and other parts for these tractors. They will be identified and sold separate, some after the tractor they represent. Very few parts to be sold separate, so be on time. We will start with tractors immediately at 9:30am. So mark this day August 14, 2010 @ 9:30am on your calendar and join Chuck and Sherri at their farm for this exciting auction. Thank you, Zielsdorf Auction Team
